When you apply for funding at the Royal Swedish Academy of Sciences, the Academy will process the personal data you provide in order to handle your application. Read more in the Academy's information on processing of personal data for prize nominations and scholarship application, [www.kva.se/en/personal-data-protection](http://www.kva.se/en/personal-data-protection)

## NOBEL SYMPOSIUM IN STELLENBOSCH 2026

For detailed information on the application, please see the NOBEL SYMPOSIA instructions.

The application should contain the following information:

- **Brief description of the current research situation** in the field that the Nobel symposium is intended to cover, as well as an explanation of its purpose.
- **Name of the Grant Administrator**  
The Grant Administrator will receive any granted funds from the Royal Swedish Academy of Sciences and bears responsibility for the financial records and risk if the cost of the Nobel symposium exceeds the given budget. Any excess of funds granted by the Programme Committee shall be reverted to the Royal Swedish Academy of Sciences.
- **The Project Manager's (main applicant and organizer) contact details**  
The Project Manager must be affiliated with the Grant Administrator.
- **The organising committee**  
Including a list of proposed tasks and responsibilities for the committee.
- **A preliminary list of participants**
- **A preliminary programme**
- **A specified budget**  
For NOBEL SYMPOSIA in South Africa, the budgeting process must take place in close collaboration between STIAS and the Applicant.
- **Confirmation from Head of the Department or equivalent manager representing the Grant Administrator** that this person is informed of the application and the guidelines. Should the application be granted, the Head of Department must sign the award letter for the requisition of funds, confirming the approved budget and terms and conditions for the organising of a Nobel symposium, which includes a license to use the NOBEL SYMPOSIA Identification.
